

**Your  
Customer**

# OUR VALUE

## HELP CUSTOMERS AVOID OVERSTAFFING AND OVERSPENDING

Boost recurring margins and help customers manage their largest, controllable cost:

### *Labor*

#### **Forecast Sales**

Predict weekly revenues  
and schedule accordingly

#### **Manage Overtime**

Stop unintentional  
overtime in its tracks

#### **Eliminate Timetheft**

Losing 20 min a day adds  
up. So, track it and stop it

**OpenSimSim is the HRPOS integrated, workforce management solution.**

We are ranked in the a top 20 scheduling platforms worldwide and offer your customers a fully integrated, enterprise solution at a competitive price.
